## Parent Council

The next Parent Council meeting is taking place on Tuesday 17th June. Please forward any items you may have for the agenda to your class rep. As before, we will provide the key points of discussion on this newsletter and intend the full minutes of the meeting to be posted on the website.

## Family Performance Evening

The staff have been planning an exciting line up for the Performance evening on Wednesday 25th June. We really need a handful of parents to help us with the organisation of this event, as well as to help out on the night.

If you are able to help organise, I would be grateful if you could join me in a quick meeting on Thursday 12th June at 2.45pm. We will be finished in time for pick up. If you can make it, please email me to let me know. If we don't have sufficient help to organise, the event will sadly have to be cancelled. Let's all muck in and make this happen!

## Website feedback

Many thanks to all those who have provided feedback on the website. There have been many positive comments as well as some useful constructive ideas. A popular request has been for staff photos to appear on the website. This is not something we intend to do at the moment, but are considering a 'Who's who?' type gallery in the school entrance.

We will use the website to post urgent messages to parents. They will appear on the home page and the rest of the page will be dark. Once you have read the message you can refresh the page and the message box will disappear. We would like to encourage parents to check the website before phoning the school office, as we hope the information you need will be there.

## Monster Writing!

All the children have worked hard to produce monster themed writing today and their final pieces have been entered into a National Writing competition. Follow us on Twitter: @EtchellsPS to check out the poem produced by nursery this morning!

We wish everyone a fabulous half term holiday and look forward to seeing everyone back on Monday 9th June - on time at 8.55am!

Kind regards,

Cathy Beddows and the Etchells staff
