

# SCHOOL NEWS

Nursery Dads' Stay and Play | PTA Donation Day | Assessment Dates

## SPORTS DAY

We were lucky enough to have perfect weather for our Sports Day this week. Thank you to all the parents who were able to come and my thanks to Miss Pennill, Mrs Roberts and Mrs Revill for their organisation of the events. The children really enjoyed themselves which is what it's all about!

### Holiday Dates - Have Your Say!

If you would like to have a say about how the Local Authority decide the school holiday dates, please fill in the consultation form by clicking the link [here](#). They have put forward 3 proposals for you to consider so please complete if you would like to be heard.

## Dads' Stay and Play in Nursery

We are inviting our Nursery Dads - or any other significant male - to 'Stay and Play' in Nursery

after half term. This is a great opportunity to see the Nursery in action and to spend some quality time with your child as they play and learn. The sessions are taking place on the following dates:

Tuesday 13th June: 9am - 10am

Thursday 15th June: 9am - 10am

Just turn up on the day!

## Y1 and Y4 Important Dates!

After the half term holiday, Year 1 will be completing their phonics screening tests. These are completed individually with the teacher and will only take a few minutes. They have been learning phonics every day since starting school so this isn't something they should be anxious about. What we ask is that the children are in school every day and so don't miss their turn for the assessment.

Year 4 will also be completing their times tables check and again, we ask for them to be in school every day. If the children are unwell then we can make alternative arrangements if needed.

## Year 6 Fun

Year 6 had a fantastic time in the park this week, celebrating the end of their SATs. It was a well deserved day out of the classroom after all their hard work. They have now moved on to their new challenges as they approach the end of their time here at Etchells.

## PTA Donation Day

On the first Friday back after the holiday (Friday 16th June), the PTA are holding a donation day for the Summer Fair. We are inviting children to come to school with crazy hair in exchange for chocolate. Please ensure all donations are sealed and within their use by date. All donations are voluntary. Thank you in advance.

Enjoy the half term holiday and we'll see everyone on Monday 12 June.

Kind regards,

Cathy Beddows and the Etchells staff
