

# SCHOOL NEWS

Summer Clubs | Proud TO Be Me | Library Books

## Thanks for coming!

It was lovely to see so many of you at our Celebration Open Evening on Wednesday this week. The children were so proud to show their work in the classrooms and excited to introduce their new teachers. We held an art exhibition in the hall which showcased brilliantly the fantastic creativity of our pupils. Thank you for all the questionnaires that have been returned - the feedback has been really pleasing and I'll be sharing with you once collated. If you have yet to send in your questionnaire, please hand to your child's class teacher as soon as possible.

## Library Books!

We are collecting in all the school library books in order for us to check our stock. Please return ALL library books as soon as possible.

We have a lot of children who are arriving late to school at the moment and are having to sign in at the office. ALL children should be arriving before 8.55am and entering school via the gate.

### SHAPES Award

Stockport schools health, activity, physical education and sport alliance

Miss Pennill took our Head Boy and Girl to Stockport Plaza this week to receive an award on behalf of Etchells, recognising our commitment to PE, Physical Activity and School Sport. Lilly and Ruhaan did a brilliant job as ambassadors for our school. Well done!

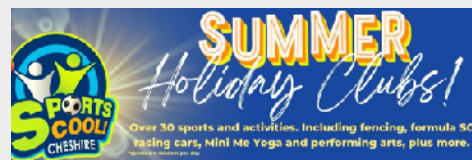

### 'Proud To Be Me' Day

It has been such a pleasure to see all our children coming to school wearing clothes that reflect them. We have had such a colourful and interesting range of outfits which really reflect the diversity of our community. The posters, which have been prepared at home, have created really great starting points for discussions in class and we hope to display some of them in our entrance area. Here are some of our early photos....

### Summer Holiday Clubs

I am able to share with you information regarding a range of summer holiday activity clubs. These range from tennis, drama, netball, multi-activities and swimming. Please see the flyers attached. For the tennis club, information is available via this [link](#).

Next week, look out for a pass for all our families giving free access to National Trust Lyme Park over the summer holiday.

Kind regards,  
Cathy Beddows and the Etchells staff
