Welcome to our Core Values Super Heroes!

On Wednesday Mr Cope introduced 6 new super heroes in assembly. These characters represent the Core Values that underpin our curriculum. We have Challenge Cindy; Resilient Ronnie; Aspiring Aaron; Creative Carla; Enjoyment Ellie and Independent Ian. In classes the children have completed follow up activities looking at how these characters and values are linked to how we learn.

A great time was had by all at the PTA disco last night. It was lovely to see you all in your amazing costumes and face paints. Special thanks go to the PTA for planning and preparing the event and also to our resident DJ Mr Cope! Look out for pictures on class webpages and Class Dojo

Meet and Greet

After last Monday's staff meeting we looked into raising staff profile on the playground before school. Mrs Collins, Mr Cope and myself have positioned ourselves around the playground. It has been fantastic to be greeted by you and for us to have the chance to say "Good morning" at the start of the day. We have received so many positive comments- thank you. We aim to continue this. Please come up and say hello, we look forward to seeing you!

Wishing everybody a happy and safe half term holiday!

Kind regards,
