Christmas Fair | Parking near school | Magical Maths Club

Thank You! Thank You! Thank You!

We had a fantastic support for our Christmas Fair last Friday night, we raised a record breaking £2916.14 profit, which was £485.58 more than last year!

Members of the PTA would like to say a HUGE thank you to all the parents for their support, their time and their donations. I felt the Fair had a lovely community feel with representatives from Heald Green Scouts (and their kind loan of their large gazebo); the Asian food stall kindly donated all the food; all the profit from Santa's keys were also donated; the independent market stalls who all donated contributions to the beautiful raffle hampers; to all the volunteers who helped set up, run and clear away the fair. The PTA are still selling raffle tickets for one more hamper at the KS1 production next week. The winning ticket will be drawn at the end of the last performance and the number will be shared on Twitter, Facebook and in next week's newsletter. We have two raffle prizes that have not yet been collected: one from the programme- a golden ticket 58 (the hamper contains many lovely items including a bottle of Whitley Neil gin!) and a green ticket 886 (an advent calendar themed box which includes two bottles).

Don't forget to check your bags and pockets for tickets.

Parking near school

When using your car to drop off or collect children PLEASE park responsibly. This photo was sent in this week of a parent using the pavement to park their car whilst they dropped off their child. Tuesday 10th December, 240 KS2 children will be using 4 coaches to transport everyone to and from the pantomime. They will **ONLY** be able to drive down East Avenue if cars are not double parked.

Magical Maths Club 2020

For the first time we are offering a maths based after school club- Magical Maths.

It will start on Thursday 16th January from 3.15-4.15pm. It is a club packed full of exciting games and activities which are fun and educational. Magical Maths is an independent company and to book onto the club go directly to:

<https://magicalmathsclub.com/detective>

or call 0161 532 9640

This club has a range of activities and is suitable for all ages.

Mission Christmas Collection

Thank you for all your kind donations for this worthy appeal. The final date for dropping off presents is Wednesday 11th December. The appeal is generally struggling for gifts for adolescent boys. If you have any items such as packs of novelty socks or shower products (**No aerosols**) they would be greatly appreciated.

Year 5 art workshop at The Kingsway School

Year 5 have had a very productive morning at The Kingsway School decorating Christmas baubles and meeting Father Christmas too! A great time was had by all.

Kind regards,

Jo Mallinson

and the Etchells staff
