World Book Week!

At Etchells, we don't do things by halves, and decided to have a book week instead of a day. There has been all sorts of

activities going on, culminating in a dressing up day. Thank you for your support with our activities - we have especially appreciated the secret readers who have delighted the children with their stories. Our Manchester City PE coach even delighted 3V with a story!

Secret Readers in Class

Paper Plate Characters

Our Early years staff have each read a bedtime story and put up on You Tube for the children to enjoy each night. Take a look at this one....

Dressing Up Fun

Use our School App!!

One of the easiest ways to access the Parent Log-in on the school website is to download the School Spider App. Search for School Spider, download the app and then select Etchells Primary School from the list. Once on your mobile device, you can use the app to pay for PTA events such as the upcoming PTA Fish and Chip Bingo Night. You can also access the most recent newsletter as well as photos and class news.

the app and then select Etchells Primary School from the list. Once on your mobile device, you can use the app to pay for PTA events such as the upcoming PTA Fish and Chip Bingo Night. You can also access the most recent newsletter as well as photos and class news.

2 Etchells' Entrepreneurs!

Two of our pupils, Ella and Ethan, have been busy putting their creative skills into action, producing prints and comic books.

They are setting up a stall in Cafe Unity on Saturday 14th March selling their creations for 50p. If you're out and about in the village that day, please pop in and support them!

SPORT RELIEF

Friday 13th March

During next week we will be holding a number of sporting activities to mark Sport Relief. We will be inviting children to come and clock up some miles on the exercise bike which will be housed in the KS2 library. We can't wait to add up the distances and see how far we have cycled on the world map! We will be holding active assemblies during which the children will be up on their feet with Joe Wicks! On Friday 13th, we will be asking all children to come to school dressed in their sports clothes. As the event is all in the name of charity, we invite children to bring in a donation on Friday which will be sent directly to the cause.

Kind regards,

Cathy Beddows

and the Etchells staff

Letter of the week in Nursery is.....

We'll let you decide! What a fantastic learning experience for our youngest children. The Etchells Curriculum.....bringing learning to life.
