Goodbye Year 6....

.... you were AWESOME!!

Today we say a final goodbye to our Year 6. What a year group they have been, amazing in so many ways. From smashing their SATs to their full on commitment to home learning when in Y5. From being the most well behaved cohort going through school to being so respectful, polite and fun! Their resilience performing their end of year production last week during the heatwave - 2 performances on both the Monday and Tuesday - was truly remarkable. And this morning they presented a wonderful final leavers' assembly to their parents. We wish them every success in their next steps of education and hope they carry the Etchells values with them for ever more. We will miss you Year 6!

Final Goodbye to Staff

Yesterday, in assembly, we said a final goodbye to Mrs Mallinson and Mrs Kemp who are both hanging up their lanyards and looking forward to their retirement. We wish them every happiness and all our congratulations.

We also said farewell to Mrs Abushal, Mrs Newport and Mrs Bray and thanked them for their amazing service, loyalty and commitment to their roles at Etchells.

We wish them all the very best for the future.

A big thank you for all your donations for the PTA 'Be Different Day'.

It was really well supported and the children enjoyed being

creative with their appearance for the day! Almost £400 was raised, so huge thanks to you all.

I would like to welcome Farzana Khan as Vice Chair of the PTA committee - it will be great to have her as part of the team. We are looking for new parents to help out with the committee too - not for every event but just when you can spare some time. I have attached further information to this email or you can email directly on pta@etchells.stockport.sch.uk if you would like to offer some help or ask any questions.

If you haven't already, you may be interested in signing up for EasyFundraising which generates funds for the PTA when you shop online - at no cost to you. All you need to do is sign up linking to our school and go through the site whenever you make purchases. Please scan the QR code for further information and a link directly to the site.
